

WILLIS FAMILY PHOTOS
FROM
JOHN MILTON WILLIS
PHOTO ALBUM

These Photos are taken from an album that was passed on to my father, Lee Byron Willis, probably by his father Arthur Crissman Willis, that was passed onto him by his father John Milton Willis. The album was probably first organized and setup by John Willis. The first picture of John Willis with his wife Rosa Grimes does not identify where it was taken. The family lived in Marietta, Ohio, farmed in or near Crooked Tree, Ohio. John Willis became a Methodist Minister. They moved to Lincoln, Nebraska, then moved to Kansas where John Willis died in Burr Oak, Kansas in 1909.
